**Step into the World of
Music and Entertainment,
Launch Your **Audio** Career!**

AUDIO
PRODUCTION

COURSE OVERVIEW

Undertake FTV program with concentration in Audio Production at SAE and build skills for a career in the audio industry.

Apply skills and knowledge in the areas of studio production, post-production and live sound using industry-standard software and large scale audio desks from such industry giants as Neve, SSL, Audient and others.

During their time at SAE, students will learn on a variety of industry standard software including Pro Tools, Ableton Live and more.

Students will undertake specialised units designed for students to participate in real-world projects under the guidance of expert SAE staff. With this unique teaching style, students will demonstrate their skills and technical knowledge in a collaborative and creative studio-based learning environment.

COURSE INFORMATION

At SAE, you will study multiple aspects of the audio industry. Starting with the foundations then ramping it up to the highly specialised area.

You'll be amplifying your talents with cutting-edge equipment while gaining proficiency in softwares including Pro Tools, and Ableton Live.

The following breakdown of modules will give you a more detailed insight into the various subjects studied and skills acquired throughout your course.

D4 FILM & TELEVISION PRODUCTION IN CONCENTRATION: AUDIO PRODUCTION

- | RUANG GURU
- | TRANS CORP
- | MNC TV

ALDIE NUSA PUTRA ALUMNI

Studying at SAE has been one of my best experiences. Complete and exclusive equipment and lecturers who really support their students, so it's a small part of the many privileges I received there.

SHANDY EKA PERMADI ALUMNI

The basics skills I got at SAE really helps my work as an audio engineer. How to set a good production level, how to arrange the right instrument for mixing or mastering, and deliver levels from music to audio post-production, and so on.

HOW TO APPLY

To apply for any course at SAE, all you need to do is fill out our online application form at:
